

GALAXY AVIATION

Dear Potential Exhibitor,

You are cordially invited to participate as an exhibitor at “**Destination...Bahamas**” hosted by Galaxy Aviation and the Northeast Florida Regional Airport at Saint Augustine on June 4, 2011 from 10AM – 2PM.

This event will attract not only the general aviation community but also many people from the surrounding Northeast Florida area.

A 12,000 square foot state of the art airline terminal will be transformed into a Bahamian island paradise. With the help of the Bahamas Ministry of Tourism we anticipate hosting exhibitors from all the islands as well as the general aviation community who will share information about lodging and assorted island activities.

Bahamian food and a live performance by a Bahamas Junkanoo band will enlighten the crowd. Seminars on Bahamas travel, customs procedures and safety for "over water flight" will be conducted. Charter companies, hotels, resorts and other Bahamas related businesses will be attending to show all the wonderful things the Bahamas has to offer and how easy it is to get there.

Our marketing efforts will target the general aviation community not only in Florida but also Georgia and the Carolinas which will bring many to our destination city. Saint Augustine may be the oldest city in the nation but this event will make it the best city for travel to and from the Bahamas as we have customs right on site.

We ask for your support and attendance. Special room rates, as low as \$69.00 per night, have been obtained and registration costs will be kept to a minimum so that we can maximize the attendance.

Attached are sponsorship and exhibitor applications. We hope you will join us for what is to become a Northeast Florida “**Destination...Bahamas**” Annual event.
